- Overall Noise Level Range :
- Very Low
 - Low
 - Medium
 - High

No high level noise or impact noise to be made after 10PM.

Note: payment method will be done prior to night noise authorization approval. Once the submitted no refund is available. Allow (5) five business work day for review. In the event your permitted work location is listed in the Department of Parking and Traffic's Blue Book, restricting work hours during the day, you may opt to obtain a Special Traffic Permit prior to applying for night noise permit. If the Special Traffic Permit is denied by DPT, you will bring back the signed off STP/Night Noise Referral form to DPW continue your processing of the Night Noise Application.
