10-DAY NOTICE OF PLANNED STREET EXCAVATION

Project Name: Various Locations Sewer Replacement & Pavement Renovation No. 38
                Contract No. 2928J

Description of Work: SF Public Works will make infrastructure improvements to;
       Jackson Street, from Presidio Avenue to Cherry Street.

The scope of work will include sewer main replacement, curb ramp
construction, street base repairs, and grinding and paving. Please note, not all
blocks mentioned above will include sewer main replacement or curb ramp
work.

Construction Schedule: February 2020 through September 2020 (Approximately 6.5 months)

Although the entire project is scheduled to take 6.5 months to complete, due to the
length of the project limits and scope of work, it may be weeks or months before work
arrives to your block. Construction will begin near the Presidio Ave intersection with
corner curb ramp construction and proceed west towards Cherry St. Once the curb
ramp work is complete, crews will commence sewer main replacement, roadway base
repairs and asphalt paving. The paving limits for Jackson Street between Presidio
Avenue and Cherry Street.

Work Hours: Monday through Friday, 8:00 AM – 5:00 PM
            (Weekend work is allowed however none has been scheduled at this time.)

Traffic may be temporarily delayed at times as a result of intersection and lane
closures necessary to perform the work. Please be sure to check any “No
Parking / Tow Away” signs posted on the block for exact work hours and
locations because they may vary depending on the construction task. No
parking signs will be posted at least 72 hours in advance of work to alert
motorists of parking restrictions.
