10-DAY NOTICE OF PLANNED STREET EXCAVATION

Project Name: Various Locations Sewer Replacement and Pavement Renovation No. 38  
Contract No. 2928J

Description of Work: SF Public Works will make infrastructure improvements to;  
Laurel Street from Pacific Avenue to Lupine Avenue

The scope of work will include sewer main replacement, curb ramp construction, street base repairs, and grinding and paving. Please note, not all blocks mentioned above will include sewer main replacement or curb ramp work.

Construction Schedule: February 2020 through June 2020 (Approximately 3.5 months)  
Although the entire project is scheduled to take 4 months to complete, due to the length of the project limits and scope of work, it may be weeks or months before work arrives to your block. Work will begin near the Jackson Street intersection with corner ramp construction and proceed south towards Lupine Avenue. Once the corner ramp work is complete, crews will commence sewer main replacement, roadway base repairs and asphalt paving. The paving limits for Laurel Street is from Pacific Avenue to Lupine Avenue.

Work Hours: Monday through Friday, 8:00 AM – 5:00 PM  
(Weekend work is allowed however none is anticipated.)

Traffic may be temporarily delayed at times as a result of intersection and lane closures necessary to perform the work. The southbound lanes will have detours during work southbound. Please be sure to check any “No Parking / Tow Away” signs posted on the block for exact work hours and locations because they may vary depending on the construction task. No parking signs will be posted at least 72 hours in advance of work to alert motorists of parking restrictions.
