

Grand View Avenue Pavement Renovation, Sewer Replacement and Water Main Installation Project

Contract No. 2504J

Dear Grand View Avenue Neighbor,

San Francisco Public Works has contracted with **Con-Quest Contractors, Inc.** to begin work on the Eureka Street, Grand View Avenue & Mangels Avenue Pavement Renovation, Sewer Replacement and Water Main Installation Project (Contract No. 2504J).

Work on the **Grand View Avenue**, Romain Street, Grand View Terrace, Douglass Street and Corwin Street section of the project will begin on **Monday, March 27, 2017** and is anticipated to continue through **Fall 2017**.

Work hours are Monday-Friday from 8:00 AM to 5:00 PM.* (Although it is not scheduled at this time, night work hours are Monday-Friday 9:00 PM to 4:00 AM and weekend work hours are Saturday to Sunday, 8:00 AM to 4:00 PM. You will be notified if any night or weekend work is required.)

Construction activity will consist of general roadway and pavement demolition, installation of sanitary sewer main line replacement and installation of side sewer services, installation of new sidewalk, driveways, curb/gutter and ADA curb ramps, removal and replacement of roadway concrete base and asphalt surface pavements, traffic routing and all associated work. Please be aware, during normal work hours, loud construction noise is to be expected as work is performed.

We thank you in advance for your patience as we complete these much needed infrastructure improvements and as we work to make San Francisco safer for all residents. We apologize in advance for any inconvenience construction activity may cause.

Additional Information

For more information and project updates, please visit www.sfpbpublicworks.org/2504J.

Impacts and Restrictions

Street parking may be unavailable during different phases of construction. Access to private or commercial buildings and pedestrian pathways will be maintained at all times, however delays may be possible.

“No Parking/Tow Away” signs will be posted **72 hours** in advance of work starting, stating project work hours and parking restrictions. Please observe parking and traffic signage and allow extra travel time in case of traffic delays during construction. **Vehicles parked in the construction zone during posted work hours will be towed at the vehicle owner’s expense.**

* **Please Note:** Construction scheduling is subject to change due to rain or other weather delays, equipment breakdown, and/or unforeseen field conditions. Please see posted "No Parking" barricades for exact parking restrictions or visit www.sfpbpublicworks.org for the latest updates and information. Restrictions may vary per block.
