Mohammed Nuru, Director

DPW Order No: 183916

The Director of Public Works held a Public Hearing on Monday, June 30, 2014 at 5:30 p.m., in City Hall, Room 416. The hearing was held in accordance to Public Works Code, Article 16, Section 805(e) and was about the transfer of tree-maintenance responsibility from the Department of Public Works to property owners with street trees fronting their properties.

After consideration of the facts and testimony presented at the two hearings, the Director finds that the following trees were (1) properly inspected by a certified arborist; (2) were in good health; (3) are structurally sound; and (4) have no routine or major maintenance requirement; and, therefore, transfers the responsibility of tree maintenance of these trees to the property owners:
