Date: \_\_\_\_\_

Permittee Name: \_\_\_\_\_

Permittee Company: \_\_\_\_\_

Number and Street Address: \_\_\_\_\_

City, State, Zip Code: \_\_\_\_\_

Permit Number: \_\_\_\_\_

Location [Number and Street Address]: \_\_\_\_\_

The above-referenced Application for a Personal Wireless Service Facility Site Permit will expire on \_\_\_\_\_. Public Works has determined the Permittee may renew the Personal Wireless Service Facility Site Permit. A renewal application must be submitted no later than six (6) months prior to the expiration date. If Permittee timely submits an application for a new Personal Wireless Service Facility Site Permit Permittee may maintain the permitted Personal Wireless Service Facility unless or until there is a final determination denying Permittee’s application for a new Personal Wireless Service Facility Site Permit at this location.
