PLEASE TAKE NOTICE that [Applicant Name] intends to file an application with San Francisco Public Works for a permit to install a Surface-Mounted Facility at one of the following preferred locations: [List all addresses]. The Department has not yet issued a permit and could decide to deny the permit.

PLEASE TAKE FURTHER NOTICE you have the opportunity to participate in the permitting process by protesting one or more of the Applicant's preferred locations. You must submit a protest with 10 days of the date of this notice. The instructions for submitting a protest can be found below. If you submit a protest, San Francisco Public Works will convene a hearing to determine: (i) whether San Francisco Public Works should issue a permit at one of the preferred locations; and (ii) if so, whether San Francisco Public Works should add any conditions to the permit. San Francisco Public Works will notify you of the hearing date, which will be within 20 days of the receipt of your protest. Should you choose to attend the hearing, you will have the opportunity to express your concerns about the proposed Surface-Mounted Facility.

PLEASE TAKE FURTHER NOTICE, that a photo-simulation of the proposed Surface-Mounted Facility at each of the preferred locations is attached hereto.
