CEQA Appeal Rights under Chapter 31 of the San Francisco Administrative Code

If the Commission's action on a project constitutes the Approval Action for that project (as defined in S.F. Administrative Code Chapter 31, as amended, Board of Supervisors Ordinance Number 161-13), then the CEQA determination prepared in support of that Approval Action is thereafter subject to appeal within the time frame specified in S.F. Administrative Code Section 31.16. This appeal is separate from and in addition to an appeal of an action on a project. Typically, an appeal must be filed within 30 calendar days of the Approval Action for a project that has received an exemption or negative declaration pursuant to CEQA. For information on filing an appeal under Chapter 31, contact the Clerk of the Board of Supervisors at City Hall, 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA 94102, or call (415) 554-5184. If the Department's Environmental Review Officer has deemed a project to be exempt from further environmental review, an exemption determination has been prepared and can be obtained on-line at <http://www.sf-planning.org/index.aspx?page=3447>. Under CEQA, in a later court challenge, a litigant may be limited to raising only those issues previously raised at a hearing on the project or in written correspondence delivered to the Board of Supervisors, Planning Commission, Planning Department or other City board, commission or department at, or prior to, such hearing, or as part of the appeal hearing process on the CEQA decision.

6. **Various Locations Pavement Renovation No. 59 & Sewer Replacement – Contract Award**
Staff Recommendation: Approve the proposed resolution adopting findings pursuant to the California Environmental Quality Act ("CEQA") regarding the Final Mitigated Negative Declaration issued by the Planning Department on September 17, 2010 (Case No. 2007.138E) ("FMND") and awarding the San Francisco Public Works construction contract referred to as Various Locations Pavement Renovation No. 59 & Sewer Replacement contract to Michael O'Shaughnessy Construction, Inc. in the amount of \$7,691,096.34 with \$769,109.63 for contingency and a contract duration of 300 consecutive calendar days with 60 consecutive calendar days of contingency to perform pavement resurfacing, curb ramp upgrades, sewer replacement, traffic control improvements, and other associated infrastructure work on specified streets in the City

and County of San Francisco. The sewer replacement work to be performed under this contract was determined to be statutorily exempt from the CEQA under Public Resources Code Section 21080.21 and CEQA Guidelines Section 15282(k), as described in the determination contained in the Public Works Commission files for this project. The Planning Department, in its determination dated December 19, 2022, concluded that the pavement resurfacing, curb ramp upgrades, traffic control improvements, and other associated infrastructure work would require no additional documentation under CEQA, provided that the applicable mitigation measures contained in the Mitigation Monitoring and Reporting program (“MMRP”) adopted with the FMND are implemented.
