

Meeting Date: April 10, 2025

To: Public Works Commission

Through: Carla Short, Public Works Director
Bruce Robertson, Deputy Director

From: Robert C. Begley, Contract Manager

Subject: As-Needed Environmental Consulting Services 2025 - 4 Contract Awards

Director's Recommendation: Award four Professional Services Contracts As-Needed Environmental Consulting Services 2025, each in the amount of \$1,500,000 for a term of 1,825 calendar days (5 years) to the following consultants: SCA Environmental, Inc., TRC Solutions, Inc., Millennium Consulting Associates, and Baseline Environmental Consulting for environmental consulting services. Approve an increase of \$750,000 to the total contract not-to-exceed contingency amount. Also, authorize the Director of Public Works to approve future contract modifications, increasing the total not-to-exceed amount to \$2,250,000 per contract.

Contract Background: The work to be done under this contract consists of environmental consulting services. The selected consultant performs environmental consulting services such as performing studies and investigations, preparing plans and specifications, preparing cost estimates, writing reports, and performing field inspections for various types of regulatory, environmental, and health and safety issues. Project scope of work includes but is not limited to: 1) environmental characterization and compliance; 2) water and air quality issues; 3) hazardous materials, hazardous waste, site assessments and risk assessment issues; 4) environmental review, permitting, design, and analysis; and 5) geographic information systems/information management systems support, and other related professional services. Consultant may provide the requested services for an entire project, a portion of a project, or a specific project phase. Consultants have provided this type of services for the City in the past. Each master agreement has a term of five years with an initial not-to-exceed amount of \$1,500,000. According to San Francisco Administrative Code Section 6.43(b)(1), cumulative modifications to a multiple-project as-needed contract shall not exceed 150% of the original not-to-exceed contract amount. Therefore, each contract may be increased by up to \$750,000, bringing the total not-to-exceed amount to \$2,250,000.

Solicitation Process: On November 6, 2024, San Francisco Public Works advertised the Request for Qualifications (RFQ) for As-Needed Environmental Consulting Services 2025. Public Works sought to award 4 contracts with an anticipated not-to-exceed contract amount of \$1,500,000 with a contract duration of 1,825 calendar days. The Contract Monitoring Division (CMD) established a 20% Local Business Enterprise (LBE) subcontracting requirement for this contract.

On December 11, 2024, Public Works received four proposals. City staff reviewed all proposals and determined that all four proposals were responsive and responsible.

The responsive and responsible proposals were then evaluated and scored by a panel comprised of individuals knowledgeable on the subject matter; oral interviews were not conducted.

Proposer SCA Environmental, Inc. submitted proposals to both RFQ's 9659 As-Needed Environmental Consulting Services 2025 (Regular LBE Program) and 9660 As-Needed Environmental Consulting Services 2025 (Micro-LBE Set-Aside Program) and scored high enough on both RFQ's for a contract. Only one contract can be awarded to a consultant for environmental consulting services. Proposer SCA Environmental, Inc. elected to pursue the regular LBE program contract.

The top 4 RFQ proposers for this contract were: SCA Environmental, Inc., TRC Solutions, Inc., Millennium Consulting Associates, and Baseline Environmental Consulting.

 Sourcing Event ID 9660 – As-Needed Environmental Consulting Services (Micro-LBE Set-Aside Program) (ECS 2025 MLBE)

Dear Ms. Codemo,

I am pleased to inform S C A Environmental, Inc. that, based on the written proposal evaluation, the firm apparently scored high enough on both Sourcing Event ID's 9659 and 9660 (Micro LBE) for a contract. As advertised in both RFQ's, only one contract will be awarded to a consultant for Environmental Consulting Services.

Please tell us which RFQ you would like to pursue by checking one box below, signing, dating this letter, and emailing it to Olivia.Lee@sfdpw.org by 5:00PM, Friday, February 7, 2025 or earlier.
