Precision Engineering, Inc. is scheduled to begin working on replacing curb ramp and paving on **BUENA VISTA AVE WEST**. In order to complete the task, some sewer catch-basin relocation work may be necessary. Sewer service will not be impacted during construction. Please continue to use your household plumbing as usual. Sidewalk access will be available during construction and school entrances will operate as normal. **The sewer work along your block is expected to take approximately 8 weeks to complete. Work will commence the week of 2/6/23 and is anticipated to be complete by 4/3/23. We apologize in advance for any inconvenience.**

PLEASE NOTE:

1. Construction hours will be 7:30 AM to 5:30 PM, Monday through Friday. Weekend work is allowed however none has been scheduled at this time.
2. Street closures may be necessary however access to driveways will be provided at all times. Please note, delays to your driveway may be possible if crews are working in front of your home/business.
3. We do not anticipate any interruptions to sewer service or other utilities. Please continue to use your household plumbing as usual.
4. Should an urgent matter arise after regular business hours, please call Project Superintendent; Juan Perez at (415) 760-8744 of Precision Engineering, Inc. You could also call 3-1-1.

Thank you for your patience during construction.
