30-DAY NOTICE OF PLANNED STREET EXCAVATION

- Project Name:** **6Th Street Pedestrian Safety Project**
Contract: 1000015023
- Description of Work:** SF Public Works has hired Esquivel Grading and Paving, Inc. to complete infrastructure improvements along 6Th **Street between Market Street and Bryant Street.** The scope of work will include sewer catch basin relocation, sidewalk extensions, curb ramp construction, traffic signal and streetlight work, basement improve, concrete road base repair and final roadway repaving.
- Tentative Construction Schedule:** **December 2021 through December 2023.** You will receive a follow-up notice about 10 days before start of construction.
- General Work Hours:** **Monday through Friday, 7:00AM – 5:00PM – (Sat/Sun 8:00AM – 6:00PM)** Weekend work is allowed, and will be included in the weekly forecasts published Online and via email; however, none has been scheduled at this time. (*Construction schedules and durations are subject to change due to weather or unforeseen field conditions. Some weekend work is allowed & expected.)
- Local access for residents and businesses to private driveways will be maintained, but please note that traffic may be temporarily delayed at times as a result of intersection and lane closures necessary to perform the work. **Please allow extra travel time during construction work hours. Also, please be sure to check the posted “No Parking/Tow Away” signs (posted on construction barricades) for precise work hours because they may vary depending on the construction task and location. Note: Cars can be towed if parked within work areas posted with valid “No Parking/ Tow Away” signs.**
