

NOTICE OF UPCOMING CONSTRUCTION
PARKMERCED/TWIN PEAKS/MT DAVIDSON MANOR
RESIDENTIAL STREET RESURFACING
CONTRACT NO. 2793J

January 2019

30-Day Notice

PURPOSE OF WORK

Sewer & Street Reconstruction: The City & County of San Francisco has an ongoing program of replacing aging sewer mains with new vitrified clay sewer mains. The old pipes have been videoed internally and are cracked and/or broken. Replacing these pipes now will prevent possible collapse of the sewer mains and pavement in the future. Sewer service will not be interrupted during the construction. The overall project scope of work consists of; pavement renovation, ADA curb ramp installation and sewer replacement. Please note that not all locations listed will require sewer replacement and may only involve ADA curb ramp installation and/or street resurfacing.

PROJECT DURATION

Under management and supervision of San Francisco Public Works, the contractor will begin construction at the first location in **February 2019**, with completion at the last location in **April 2020**. You will receive a follow-up notice informing you construction is scheduled to begin on your block about 10-days in advance.

Traffic Impact

Traffic may be temporarily delayed at times as a result of intersection and lane closures necessary to perform the work. Your street will be posted 72 hours in advance of work, with “No Parking / Tow Away” signs to alert the public of the upcoming construction and parking restrictions. Vehicles parked on the street during construction work hours will be towed at the vehicle owner’s expense. Access to driveways will be maintained at all times however delays may be possible while crews create a path for your vehicle. Please plan for and allow for extra travel time during construction. Sidewalk access will be maintained at all times.
