

Geary Boulevard at Park Presidio Boulevard Pedestrian Improvements

Project Description

Public Works will soon begin improvements at the intersection of Geary Boulevard and Park Presidio Boulevard. This project aims to provide a safer and more inviting environment for Muni passengers, pedestrians, runners and vehicular traffic at the intersection of Geary Boulevard and Park Presidio Boulevard.

The scope of work includes new sidewalks, gateway planting, seating wall, pedestrian lighting and ADA curb ramps.

Impacts and Restrictions

Please observe traffic signage and allow extra travel time in case of traffic delays during construction work.

Traffic may be temporarily delayed at times. No complete road closures will be necessary as a result of the work at the intersection.

Work Hours: Monday - Friday: 7am – 3pm
also some minimal impact work at night

Contact: San Francisco Public Works, 415-558-5282
After Hours Emergency, 415-695-2020
