NOTICE OF UPCOMING CONSTRUCTION WORK

California Laurel Village Improvement Project

Contract No. 2300J

Bauman Landscape and Construction Inc. is under contract with San Francisco Public Works to perform the California Laurel Village Improvement Project.

PROJECT LOCATION

The work to be done under this contract is located along California Street from Cherry Street to between Laurel Street and Walnut Street and along Locust Street from California Street to Sacramento Street.

DESCRIPTION OF WORK

The project consists of work involving pavement renovation, curb ramp and bulb-out construction, sewer main replacement, plus work involving drainage, landscaping, traffic signal, street and pedestrian lighting, traffic routing, striping and signage and all associated work.

CONSTRUCTION SCHEDULE

Construction is scheduled to begin in February 2018 with a contract duration of 9 months.

WORK HOURS

Monday through Friday: 7:00 A.M. – 5:00 P.M. for work within the street.

Saturday & Sunday: 8:00 A.M. – 6:00 P.M.

(Although weekend work is allowed, none has been scheduled at this time.)

TRAFFIC IMPACT

This scope of work will cause delays in traffic and temporary lane closures. Traffic control plans and flaggers will be in place to help mitigate disruptions in roadways.

You will receive a follow-up notice approximately 10 days before construction begins on the project. Please visit www.sfpublicworks.org/CALV for additional information on the project.
