

PROJECT OVERVIEW

San Francisco Public Works, San Francisco Municipal Transportation Agency and the San Francisco Public Utilities Commission are starting construction on the Second Street Improvements Project this fall. The project is an effort to improve street safety and access for all road users who live, work and visit the neighborhood. Improvements coming to Second Street were driven by a community outreach process in 2012 to 2013 and include:

- Sidewalk widening
- Northbound and southbound bicycle facilities
- ADA curb ramps
- Transit boarding islands
- Street trees and landscaping
- Raised crosswalks at all alley crossings
- Pedestrian-scaled street lighting
- Traffic signal system upgrades
- Utility under-grounding
- Sewer system upgrades

CONSTRUCTION DETAILS

Construction will start fall 2017 and anticipated completion is in winter 2019, with work happening 8 a.m. to 5 p.m., Monday to Friday. Weekend work is allowed, but has not been scheduled at this time. San Francisco Public Works will manage this project and will be your contact for any construction concerns. M Squared Construction Inc. will be the project contractor.

FUNDING

The construction cost of the Second Street Improvements Project is approximately \$20 million. This project is funded by the One Bay Area Grant, Proposition K funds and other local funding.
