

Summary of Apartment Rates
Recology Golden Gate
Recology Sunset Scavenger

The Apartment Rates are effective August 1, 2013 through June 30, 2014. Actual rates charged to any individual customer is a function of the specific composition of services. Recycling and Composting services are discounted from the table shown below based on the diversion percentage of total volumetric service, less 10%, up to a 75% total discount. In addition, during rate year 2014, rates are capped for each customer at 125% of their rate prior to the increase.
