To: Public Works Commission

Through: Carla Short, Public Works Director
Bruce Robertson, Deputy Director

From: Robert C. Begley, Contract Manager

Subject: As-Needed Hazardous Materials Abatement Contracting Services 2025 -
Two Contract Awards

Director's Recommendation: Award As-Needed Hazardous Materials Abatement Contracting Services 2025 to Asbestos Management Group of California, Inc. (AMG), and KM 106 Construction, Inc. for hazardous materials abatement contracting services with a not-to-exceed amount of \$3,000,000 and a duration of 1,095 calendar days each.

Contract Background: The work to be done under these contracts consist of hazardous materials abatement contracting services. Services to be performed include, but are not limited to, asbestos abatement, lead removal, related demolition and repair of building systems, remediation of hazardous materials such as arsenic, mercury, PCB's, fluorescent lights, transformers, ballasts, paints, chemicals, soils, thinners, toners, cleaning supplies, waste oils, mold, sewerage, and pigeon/bird waste, and other related services. Contractors may provide the requested services for an entire project, a portion of a project, or any project phase. Both Contractors have provided these type of services for the City in the past.

Solicitation Process: On November 26, 2024, San Francisco Public Works advertised the Request for Qualifications (RFQ) for As-Needed Hazardous Materials Abatement Contracting Services 2025. Public Works sought to award a minimum of 3 contracts with an anticipated not-to-exceed contract amount of \$3,000,000 with a contract duration of 1,095 calendar days. The Contract Monitoring Division (CMD) established 10% Local Business Enterprise (LBE) subcontracting requirement for this agreement.

On December 19, 2024, Public Works received two proposals. City staff reviewed both proposals and determined that both proposals were responsive and responsible.

Proposals were not scored; therefore, there is no tabulation of scores or ranking.

Proposers eligible for contract awards are: Asbestos Management Group of California, Inc. (AMG), and KM 106 Construction, Inc.
