WHEREAS, On September 17, 2010, the Planning Department adopted the Final Mitigated Negative Declaration (“FMND”) pursuant to the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.) (“CEQA”) and determined that, with the adoption of the mitigation measures contained in the Mitigation Monitoring and Reporting Program associated with the BSP (“MMRP”), there is no substantial evidence that the BSP would have a significant effect on the environment based on Sections 15064 (Determining Significant Effect), 15065 (Mandatory Findings of Significance), and 15070 (Decision to Prepare a Negative Declaration) of the CEQA Guidelines (14 California Code of Regulations Sections 1500 et seq.) and the reasons documented in the FMND; and

WHEREAS, On October 28, 2010, the Planning Commission, in Resolution No. 18211 (“Planning Commission Resolution”), adopted findings under CEQA, the CEQA Guidelines, and Chapter 31 of the Administrative Code (“CEQA Findings”), and adopted the MMRP; and

WHEREAS, On December 19, 2022, the Planning Department issued a determination (“CEQA Determination”) concluding that the pavement resurfacing, curb ramp upgrades, traffic control improvements, and other associated infrastructure work performed under this contract are within the scope of the FMND and would not require the preparation of a subsequent negative declaration under CEQA Guidelines Sections 15162 and 15168, provided that the applicable mitigation measures contained in the MMRP are implemented; and

WHEREAS, On March 21, 2025 The Planning Department, in Case No. 2025-002123ENV, issued a determination (“Statutory Exemption”) concluding that the sewer replacement work to be performed under this contract is statutorily exempt from CEQA under Public Resources Code Section 21080.21 and CEQA Guidelines Section 15282(k), as described in the determination contained in the Public Works Commission files for this contract; and

WHEREAS, On September 24, 2025, Public Works received six bids; and

WHEREAS, Public Works staff and CMD staff reviewed the bids and application of bid preferences and determined that Ronan Construction, Inc. is the responsive and responsible bidder that submitted the lowest responsive bid; and

WHEREAS, The contract amount is \$6,563,340.00; and

WHEREAS, The contract duration is 315 consecutive calendar days; and
