

Community Meeting: Hallidie Plaza Accessibility Improvement Project

A Revamped Hallidie is Coming to Your Neighborhood!

Hallidie Plaza Accessibility Improvement Project, located at the north corner of Market Street and Cyril Magnin Street, will focus on bringing accessibility and beautification improvements to the plaza, including construction of new ramps from street level to BART/Muni level, and removal of the decommissioned elevator.

We invite neighbors to attend our Community Meeting to discuss project details and gather input from the community.

Meeting Details:

Date: Tuesday, April 21, 2026
Time: 3:00PM – 5:00PM
Location: **Disability Cultural Center**
165 Grove Street, San Francisco

To join Zoom online, visit:

For additional information:

Anastasia Haddad, Project Manager
Anastasia.Haddad@sfdpw.org
(628) 271-2405

Accessible seating for persons with disabilities, including those using wheelchairs, will be available. American Sign Language (ASL) interpreters will be available. For reasonable accommodations, please contact Anastasia Haddad at Anastasia.Haddad@sfdpw.org as soon as possible. Requests made at least 48 business hours in advance help ensure availability (e.g., assistive listening devices, materials in alternative formats).
