

**Meeting Date:** January 9, 2025

**To:** Public Works Commission

**Through:** Carla Short, Public Works Director  
Bruce Robertson, Deputy Director for Finance and Administration

**From:** Victor Tam, As-Needed Contracts Manager

**Subject:** Master As-Needed Agreement M23 General Engineering Services – Two Contract Awards

---

**Director’s Recommendation:** Award Master As-Needed Agreement M23 General Engineering Services contract awards, each with a not-to-exceed amount of \$3,000,000 for 730 consecutive calendar days, to Manson Construction Co. and Yerba Buena Engineering & Construction, Inc; and authorize the Director of Public Works to approve future modifications to increase the duration of each contract by up to 1,095 calendar days, to a new total duration of up to 1,825 calendar days, and to increase the not-to-exceed amount by up to \$1,500,000 each, for a new total not-to-exceed amount of \$4,500,000 each.

**Contract Background:** The work to be performed under each contract consists of general engineering services at various locations in the City, and may include, but is not limited to, repair, alteration, modernization, maintenance, rehabilitation, demolition, and construction of infrastructure, buildings, structures, or other real property. The work is performed on an “if-and-as-needed” basis in accordance with the San Francisco Administrative Code Section 6.64 requirements. Contractors who can demonstrate experience, expertise and quality of work may be awarded a master agreement for a term of up to two years and a Maximum Contract Amount of \$3,000,000. When work is needed, at least three contractors awarded a master agreement will be invited to submit a competitive quotation for the work. The contractor submitting the lowest responsive quotation may be awarded the Contract Service Order (CSO) to perform the work.

**Solicitation Process:** The Department advertised the continuous solicitation of the Request for Qualifications on December 21, 2022. Staff evaluated the Request for Qualifications submittal packages from Manson Construction Co. and Yerba Buena Engineering & Construction, Inc. and it was determined that both meet the minimum qualifications of the solicitation.

**MEMORANDUM**

Date: November 27, 2024

To: Ben Washington, Contract Administration, SF Public Works  
Victor Tam, Contract Coordinator, SF Public Works

From: Ivan Oldenkamp, Contract Monitoring Division

Subject: 0000007674 MAN-M23 General Engineering Services – Manson Construction Co.

---

The Contract Monitoring Division (“CMD”) has reviewed the bids/RFQs submitted for the above referenced project and determined responsiveness to the Chapter 14B pre-award requirements.

The LBE subcontracting requirement will be set at the task order level for this contract.

Below is a summary of CMD’s review.

<b>Bidder</b>	<b>Status</b>	<b>Base Bid</b>
Manson Construction Co.	Non-LBE	N/A

Manson Construction Co. indicated on CMD Form 3 that it will comply with the provisions of Chapter 14B and its implementing Rules and Regulations.

The LBE subcontracting requirement and good faith efforts requirement must be met on each task order.

Based on the foregoing, CMD has determined that Manson Construction Co. has complied with the Chapter 14B pre-award requirements.
