

Meeting Date: December 15, 2023

To: Public Works Commission

Through: Carla Short, Public Works Director
Ronald Alameida, City Architect and Deputy Director for Buildings

From: Victor Tam, As-Needed Contracts Manager

Subject: Master As-Needed Agreement M23 General Engineering Services – Three Contract Awards

Director’s Recommendation: Award Master As-Needed Agreement M23 General Engineering Services with a not-to-exceed amount of \$3,000,000 each for 730 consecutive calendar days each to Power Engineering Construction Co., R&S Construction Management, Inc., and Fontenoy Engineering. Also, authorize the Director of Public Works to approve future modifications to increase the duration of each contract by up to 1,095 calendar days, to a new total duration of up to 1,825 calendar days, and to increase the not-to-exceed amount of each contract by up to \$1,500,000, for a new total not-to-exceed amount of \$4,500,000 each.

Contract Background: The work to be done under each contract consists of general engineering services at various locations in the City, and may include, but is not limited to, repair, alteration, modernization, maintenance, rehabilitation, demolition and construction of infrastructure, buildings, structures, or other real property. The work would be performed on an “if-and-as-needed” basis in accordance with the San Francisco Administrative Code Section 6.64 requirements. Contractors who can demonstrate experience, expertise and quality of work may be awarded a master agreement for a term of up to two years and a Maximum Contract Amount of \$3,000,000. When work is needed, at least three contractors awarded a master agreement will be invited to submit a competitive quotation for the work. The contractor submitting the lowest responsive quotation may be awarded the Contract Service Order (CSO) to perform the work.

Solicitation Process: The Department advertised the continuous solicitation of the Request for Qualifications on December 21, 2022. Staff evaluated the Request for Qualifications submittal packages from Power Engineering Construction Co., R&S Construction Management, Inc., and Fontenoy Engineering and staff determined that they meet the minimum qualifications of the solicitation.

**PUBLIC WORKS COMMISSION
CITY AND COUNTY OF SAN FRANCISCO**

RESOLUTION NO. _____

WHEREAS, On December 21, 2022, San Francisco Public Works (Public Works) advertised a Request for Qualifications for Master As-Needed Agreement M23 General Engineering Services; and

WHEREAS, The work to be done under this contract consists of general engineering services at various locations in the City, and may include, but is not limited to, repair, alteration, modernization, maintenance, rehabilitation, demolition and construction of infrastructure, buildings, structures, or other real property; and

WHEREAS, When work is available, contractors awarded a master agreement will be invited to submit a competitive quotation for the work and the contractor submitting the lowest responsive quotation may be awarded the Contract Service Order to perform the work; and
WHEREAS, The work is to be performed on an “if-and-as-needed” basis in accordance with the San Francisco Administrative Code Section 6.64 requirements; and

WHEREAS, The not-to-exceed contract amount is \$3,000,000; and

WHEREAS, The initial contract duration is 730 calendar days; and

WHEREAS, Public Works staff and Contract Monitoring Division staff reviewed the bids and determined that Power Engineering Construction Co. is responsive and responsible; and

WHEREAS, The Director recommends the Commission’s approval of the initial not-to-exceed contract amount and the initial contract duration referenced above as well as the Commission’s approval of an increase of up to 1,095 calendar days to the contract duration contingency and an increase of up to \$1,500,000 to the not-to-exceed amount contingency; now, therefore, be it

RESOLVED, That this Commission hereby awards Master As-Needed Agreement M23 General Engineering Services Contract on an if-and-as-needed basis, in the not-to-exceed amount of \$3,000,000 for 730 consecutive calendar days, to Power Engineering Construction Co.; and be it

FURTHER RESOLVED, That this Commission hereby authorizes the Director to approve an increase of up to 1,095 calendar days to the contract duration contingency and to increase the not-to-exceed amount contingency by up to of \$1,500,000.

I hereby certify that the foregoing resolution was adopted by the Public Works Commission at its meeting of _____.

Commission Affairs Manager
Public Works Commission

MEMORANDUM

Date: November 22, 2023

To: Ben Washington, Contract Administration, SF Public Works
Victor Tam, Contract Coordinator, SF Public Works

From: Ivan Oldenkamp, Contract Monitoring Division

Subject: 0000007674 MAN-M23 General Engineering Services – Power Engineering Construction Co.

The Contract Monitoring Division (“CMD”) has reviewed the bids/RFQs submitted for the above referenced project and determined responsiveness to the Chapter 14B pre-award requirements.

The LBE subcontracting requirement will be set at the task order level for this contract.

Below is a summary of CMD’s review.

Bidder	Status	Base Bid
Power Engineering Construction Co.	Non-LBE	N/A

Power Engineering Construction Co. (“Power”) indicated on CMD Form 3 that it will comply with the provisions of Chapter 14B and its implementing Rules and Regulations.

The LBE subcontracting requirement and good faith efforts requirement must be met on each task order.

Based on the foregoing, CMD has determined that Power has complied with the Chapter 14B pre-award requirements.

Should you have any questions, please contact Ivan Oldenkamp at ivan.oldenkamp@sfgov.org
