

Meeting Date: June 10, 2024

To: Public Works Commission

Through: Carla Short, Public Works Director
Ron Alameida, Deputy Director & City Architect

From: Olivia Lee, Contract Manager

Subject: As-Needed Architectural Services for Health Facilities No. 4 - Four Contract Awards

Director's Recommendation: Award Professional Services Contract, As-Needed Architectural Services for Health Facilities No. 4 in an amount not to exceed \$3,400,000 each for 1,825 calendar days to the following four contractors (each a "Consultant"): LDA-KMD JV, MEI Architects, TEF-Kuth Ranieri JV (TEF-KR JV), and WRNS-Quezada JV for architectural services for health facilities.

Contract Background: The work to be done under this contract consists of architectural services for health facilities. The Consultant performs professional architectural and engineering planning and design services for healthcare facilities and other City-owned facilities. Projects may include, but are not limited to, healthcare facilities under the jurisdiction of the California Department of Health Care Access and Information (HCAI), formerly known as the Office of Statewide Health Planning and Development (OSHPD), such as acute care hospital facilities, clinics, and other City-owned facilities. Consultant may provide the requested services for an entire project, a portion of a project, or any project phase. Consultants have provided these types of services for the City in the past.

Solicitation Process: On December 14, 2023, San Francisco Public Works advertised the Request for Qualifications (RFQ) for As-Needed Architectural Services for Health Facilities No. 4. Public Works sought to award four contracts with an anticipated not-to-exceed contract amount of \$3,400,000 with a contract duration of 1,825 calendar days. The Contract Monitoring Division (CMD) established a 20% Local Business Enterprise (LBE) subcontracting requirement for this contract.

On February 28, 2024, Public Works received eight proposals. City staff reviewed all proposals and determined that all eight proposals were responsive and responsible.

The responsive and responsible proposals were then evaluated and scored by a panel comprised of individuals knowledgeable on the subject matter.

Optional oral interviews were not conducted.

The top four RFQ proposers for this contract were: LDA-KMD JV, MEI Architects, TEF-Kuth Ranieri JV (TEF-KR JV), and WRNS-Quezada JV.
