Ron Alameida, Deputy Director & City Architect

**From:** Olivia Lee, Contract Manager

**Subject:** As-Needed Historic Preservation Specialty Services No. 4, and As-Needed Historic Preservation Specialty Services No. 5 (Micro-LBE Set-Aside Program) - Three Contract Awards

---

**Director's Recommendation:** Award the As-Needed Historic Preservation Specialty Services No. 4 Contracts in the amount of \$400,000 each for 1,825 calendar days to Architectural Resources Group (ARG), and Page & Turnbull for historic preservation specialty services. Award the As-Needed Historic Preservation Specialty Services No. 5 (Micro-LBE Set-Aside Program) in the amount of \$400,000 for 1,825 calendar days to Garavaglia Architecture, Inc. for historic preservation specialty services.

**Contract Background:** The work to be done under these contracts consists of historic preservation specialty services that consultants have provided on past City projects. The consultants will provide historic preservation consultation services for various building projects on an as-needed basis. Services may include cultural resource inventories, assessments, historical evaluations, management documents, and other necessary studies. Consultants will prepare historic structure reports, certificate of appropriateness, contract documents, and cost estimates. In addition, the consultants will provide design consultation, construction support, and Quality Assurance / Quality Control (QA/QC). Projects may include various building facilities, such as library buildings, fire stations, police stations, health service centers, hospital buildings, recreation centers, and other City-owned facilities. Consultants may be required to provide the requested services for an entire project or for a portion of a project or for any project phase.

**Solicitation Process:** On November 1, 2022, San Francisco Public Works advertised the Request for Qualifications (RFQ) for the As-Needed Historic Preservation Specialty Services No. 4. Contract. While on November 2, 2022, San Francisco Public Works advertised the Request for Qualifications (RFQ) for As-Needed Historic Preservation Specialty Services No. 5 (Micro-LBE Set-Aside Program). Public Works had sought to award a total of four contracts with an anticipated not-to-exceed contract amount of \$400,000 and a contract duration of 1,825 calendar days. The RFQ for the As-Needed Historic Preservation Specialty Services No. 5 (Micro-LBE Set-Aside Program) is open only to small local firms that have CMD Micro-LBE certification in the Architectural, Including Historical and Conservator Services certification category.

On December 14, 2022, Public Works received three proposals for the As-Needed Historic Preservation Specialty Services No. 4 RFQ. City staff reviewed all proposals and determined that all three proposals were responsive and responsible.

On December 12, 2022, Public Works received one proposal for the As-Needed Historic Preservation Specialty Services No. 5 (Micro-LBE Set-Aside Program) RFQ. City staff reviewed the proposal and determined the proposal responsive and responsible.

The responsive and responsible proposals were then evaluated and scored by a panel comprised of individuals knowledgeable on the subject matter. Optional oral interviews were not conducted.

Proposers Garavaglia Architecture, Inc., Architectural Resources Group (ARG), and Page & Turnbull were the three highest ranked proposals for the As-Needed Historic Preservation Specialty Services No. 4 RFQ. For the As-Needed Historic Preservation Specialty Services No. 5 (Micro-LBE Set-Aside Program) RFQ, Garavaglia Architecture, Inc., the sole proposer was determined to meet the RFQ requirements.

Proposer Garavaglia Architecture, Inc. submitted proposals in response to both RFQs, and scored high enough on both RFQ's for a contract. Only one historic preservation specialty services contract can be awarded to each consultant. Proposer Garavaglia Architecture, Inc. selected to pursue the Micro-LBE contract.

To: Olivia Lee, Contract Manager, SF Public Works  
Belle Macaranas, Contract Administration, SF Public Works

From: Ivan Oldenkamp for Finbarr Jewell, Contract Monitoring Division

Subject: Sourcing ID: 0000007577 As-Needed Historic Preservation Specialty Services No. 4 – CMD Review

The Contract Monitoring Division (“CMD”) has reviewed the proposals and supporting documentation submitted for the above referenced project, applied the appropriate rating bonuses, and determined responsiveness to the Chapter 14B pre-award requirements. Below is a summary of CMD’s review.

### Rating Bonus

The following proposers were eligible for a rating bonus:

Proposer	Rating Bonus
Garavaglia Architecture, Inc.	10%

### Score Sheets and Score Tabulations

For all compliant proposers, CMD has reviewed all score sheets submitted by the technical panelists, the fee schedules, and score tabulations submitted from Public Works. Based on this information and after the application of the LBE rating bonus, the proposers are ranked as follows:

Proposer	Status	Score	Rank

Garavaglia Architecture, Inc. (“Garavaglia”) has received the highest score. This firm also met the pre-award requirements for the PW As-Needed Historic Preservation Services No. 5, a Micro-LBE Set-Aside solicitation advertised concurrently with this solicitation. Correspondingly, they have withdrawn from this solicitation.

**LBE Subconsultant Participation Requirement**

The LBE subconsultant requirement was waived for this project.
