Grant Background: The Trash Can Steam Cleaning Program provides job training, employment, and workforce development opportunities, while also supporting the City’s efforts to provide safe, clean and inviting public spaces by utilizing steam cleaning and pressure washing to clean and divert litter and other waste from public spaces and rights-of-way throughout the City and County of San Francisco. On March 1, 2022, Public Works awarded Community Youth Center of San Francisco (Grantee) a grant for the Trash Can Steam Cleaning (Program).
